Supporting the Scientific Method for the Next Generation of Innovators

David Junkin

Academic Network Program Director

Fostering Collaboration and Communication Between Academia and Industry Professionals

Cadence Is Committed to Supporting Foundational Research

- In order to enable peer review, replication, and follow-on research, academic users can share their scripts with others
- When doing so, we would request that the following acknowledgement be included:

“This script was written and developed by XX at YY; however, the underlying commands and reports are copyrighted by Cadence. We thank Cadence for granting permission to share our research to help promote and foster the next generation of innovators.”
- This statement doesn't supersede any legal agreements nor encourage anyone to violate or distribute anyone else's IP without their permission
